<b>Total height</b>	3 mm	0,12"
<b>Pile weight</b>	1000 g/m <sup>2</sup>	29,5 oz/yd <sup>2</sup>
<b>Total weight</b>	2050 g/m <sup>2</sup>	60,48 oz/yd <sup>2</sup>

## Fitting & maintenance

We recommend stretched fitting on a quality underlay carpet by professional installer.

Linen requires a delicate and appropriate cleaning method. Detailed fitting and maintenance information is available at [www.nfb.be](http://www.nfb.be).

## Special attention

Linen is a naturally strong and lustrous yarn. Color batches may vary slightly more than in wool. We recommend dry clean only and no use of liquids or chemicals since these may affect the texture and colour of the flooring.

Linen also has less resilience than wool meaning the carpet will flatten with time. This is a main characteristic for any linen flooring and conveys this particular uniqueness.

## Available Colors
