

NEW FRANCO BELGE
FLOOR COVERING LUXURY

SIERRA

Description

This flat-woven ribbed loop – a combination of wool warp and linen weft – is as simple as it is elegant. Its thickly woven wool structure gives Sierra a warm and natural look.

Fitting & maintenance

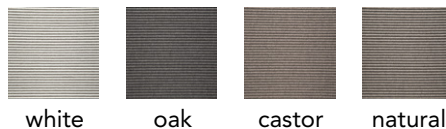

We recommend stretched fitting on a quality underlay carpet by a professional installer.

Detailed fitting and maintenance information is available at www.nfb.be.

Special attention

Take special care if you make joints, the structure of the design can make them more visible.
